Childhood Cancer Foundation of Michigan
6th Annual Golf Outing

<http://www.candlelightersofmichigan.org/>

Dear Friends,

We invite you once again to join us for a great day of golf and a dinner of friendship. As many of you know, our son, Jonathan, was diagnosed with cancer at the age of 22 months and died in December of 2000 at the age of four. At the time of Jonathan's illness, there was little support for childhood cancer families. We are trying to change that. Candlelighters of Michigan is a 501(c)(3) non-profit organization dedicated to enhancing the lives of children with cancer and their families. You can help by encouraging your friends and family to join us for the day and/or choosing one of our sponsorship opportunities. We encourage you to peruse our website to learn more about our programs and services.

The gift portion of your contribution is fully tax deductible. However, in order to receive a charitable receipt, you must write an individual check. Receipts for group checks will be sent to the individual or business whose name is written on the check. On behalf of our childhood cancer families, we truly appreciate your patronage and support.
